Office Circular

Attention : - All employers / establishments in Western Region

Subject :- Non requirement of hard copies of the documents uploaded on NATS webportal during the process of registration of establishment – further facilitation for ease of doing business.

You are aware that Board of Apprenticeship Training (Western Region), Mumbai, has been implementing National Apprenticeship Training Scheme (NATS) for Graduate and Technician apprentices. Since 2017, the implementation of NATS is facilitated by online mode using a digital platform of NATS webportal having URL www.mhrdnats.gov.in. All the stakeholders have been using this online facility successfully for effective implementation of NATS. At present during the process of registration of establishments, the employer needs to upload various documents on the NATS webportal for verification of eligibility of the establishment, and thereafter submit the hard copies of the said documents along with the profile generated on the portal to Board's office.

To encourage more establishments to register on the NATS web portal and in order to provide services to the establishments in a hassle free manner, now onwards the establishments are not required to submit hard copy of any document required for its registration on NATS webportal, and the notification of an establishment shall be done only on the basis of the soft copy of the documents uploaded by the concerned employer / authorized officer of the establishment.
